

WELCOME TO JOHNNY'S BEACH BAR

Nestled on the pristine beachfront, Johnny's Beach Bar is more than just a place to unwind—it's a tribute to adventure, love and the joy life can bring if you dare to live. Named in memory of Johnny, the son of the resort owner Brian Strange, this bar is a celebration of his zest for life, his love for the ocean, and his spirit of exploration.

Here, you'll find a laid-back atmosphere infused with warmth and inspiration, where every detail reflects a story. From hand-crafted cocktails and fresh, locally-inspired flavors from our garden to the sound of waves lapping at the shore, Johnny's Beach Bar is a place to connect, relax, and create memories that last a lifetime.

We invite you to raise a glass to life, love, and the beautiful legacy that makes Johnny's Beach Bar the heart of Long Bay Beach Resort. Cheers to unforgettable moments!
